Pony-Life: Full-Pony Consequences 2: What Has Twilight Done

John Sparkle walked like speed of light back to his motorcycl and left behind the bad place behind him. John Sparkle had to ride his motorcycle really fast back to the office but John Sparkles gas ran out. John Sparkle jumped fast off the motorcycle and landed on dead ponys hoofs.

"Twilight Psarkle is now these hoofs... i must kill the next boss and live up to full-pony consequences!" John Sparkle said out loud.

John Sparkle picked up a laser gun and aimed it at trees to see if he could. John Sparkle shot and tree fell down in front of him. John Sparkle seen eggs fall out of the tree and he put them back home safe.

"These birds dont have to see Twilight Sparkle yet. its not time." John Sparkle said to him.

John Sparkle had to walked faster and was back at his office work and on a computer. He looked on the ponynet and found the next boss.

"I know his weakness now" John Sparkle said. And after that he got emails from someone. John Sparkle opened up the emails and read them.

"Dear John Sparkle, how are you? I miss you at home come home safe and soon with Twilight Sparkle for thanksgiving dinner. Love mom." John Sparkle looked at it and got sad and yelled "I WILL KILL THE

BOSS AND TWILIGHT SPARKLE WILL BE HAPPY SOUL!" then he turned on off the computer and wet on the platform again down to his other more faster motorcycple that had gas in it this time.

John Sparkle put the laser gun on his motorcycple and his machine gun and his rocket gun that he found on the side of the motorcycple. He went through traffic and went fast like litning to back to Everfree Forest and back to the bad place where Twilight Sparkle was. John Sparkle went off road and did backflips and landed on back wheels but kept going too.

John Sparkle went really fast again like before and was soon back again at Everfree Forest but saw more zombie goasts. John Sparkle said to them "Zombie goasts i have killed your friends at the old house and i dont want to shoot your heads. move near the countrysides and you will be friends of John Sparkle." The zombie goasts said that "no we will kill you" and walked fast to John Sparkles motorcycple. John Sparkle waited until they were in front of his motorcycple and backflipped off his bars and shot heads below and landed and walked fast to where the next boss was.

"you will be one of us!" yelled the dead zombie goasts. John Sparkle laughed and shot a rocket at them.

John Sparkle saw the next boss far down the road and walked slow this time. He walked really slow like a tortis and sat down on a rock and watched the next boss near the dead last boss and where the place that Gordon Sparkle was. The next boss was laughing at John Sparkle so John Sparkle said "YOU WILL NOT LAUGH AT ME!" and shot a rocket at him since that was his weakness.

The next boss died and John Sparkle was happy. He walked over to the dead bosses and put them under the ground and planted pants on them so instead of messy dirt and dark there was pretty things there now to be happy.

John Sparkle walked to where Twilight Sparkle was lying dead and crushed from the next boss's feet and looked down. A tear dropped out of John Sparkles eye and landed on Gordon Sparkle.

"You are dead brony and i killed the evil boss." John Sparkle told Gordon Sparkle

Then John Sparkle saw something bad. A parasprite was on Twilight Sparkle! Twilight Sparkle stood up and said "John Sparkle... you got here slow and now i am zombie goast. you will pay..."
